AMUSEMENTS

ONLY ONE SHOW AT THE BUTLER TONIGHT

There will only be one show given at the Butler this evening, as the theatre has been engaged by the Democratic party for speaking, which will start as soon as the first show is over.

The picture program will present Corinne Griffith in a story of stage life, entitled "The Garter Girl." The picture tells the tale of a vaudeville actress who went to the country to find a real man, but returns disgusted and goes back to the stage. Rosalie Roy was a vaudeville actress. Every afternoon and every evening she kicked a garter from a shapely leg into the audience as she swung over its head upon a wire. She saw young men and old, particularly the old, fight for the possession of the garter—a memento of a woman of paint and powder—and she was disgusted. She gave it up and went to a small town. She believed she had gotten down to nature and was living among real people. She became engaged to a minister. Then came the awakening in an unguarded moment she looked into a box in her lover's study. What she saw there made her decide that men were the same the world over and she hurried back to the old stage life. The latest Pathé News will be added to the program.

Remember, just one show tonight, starting at the usual time, 7 p. m., so come early. Tomorrow, the big spectacular production, "On With the Dance."

OVERLAND WRECK IS BEING PROBED

(By Associated Press) LOS ANGELES, Cal., Nov. 1.—W. Comstock, general manager of the Salt Lake railroad, said today that he was unable to fix responsibility for the wreck of the Pacific Overland train on Saturday night near Manix, east of here, in which three persons were killed and 39 injured. He was positive the rails did not spread, which was the cause assigned in an unofficial report. A further investigation is under way.

SEES VICTORY FOR BARRIER

Friends of Jack Barrier are confident today that he will be re-elected as sheriff and assessor of Nye county at the polls tomorrow. They point to his fine record during his present term in keeping down crime in this county, to the accommodating attitude he takes toward everyone with whom he has business, to his alertness and readiness to act whenever called upon and to the fact that Jack Barrier has filled the office to the satisfaction of practically everyone in the county. These are the reasons, they say, that they expect his re-election tomorrow by a large majority over his opponents. They know that Mr. Barrier has made a good officer and they feel that the voters of the county recognize this fact and will re-elect him.
